

Whit Friday March to Success!

Whit Friday was a busy day for the School Brass Band. It began in the morning as the Band, led by Miss Lundberg, took part in the Mossley Whit Walks. It was a wet start, but it didn't dampen their spirits as they marched brilliantly in the parade, lead out for the first time by Mrs Din. The Band hasn't taken part in this event for a long time, and it was fantastic for the students to represent the school in such a wonderful community event and their performance was warmly received by all that attended.

I watched the marches competition at Hurst Cross and was most impressed by the Mossley Hollins band and the enthusiasm and professionalism of the conductor. The students were very smart and really seemed to enjoy it. And what a great piece of music - a march I've never heard before but now can't stop playing. Well done to all. Best wishes. Nick Broad.

The day didn't stop there though, as the Band went on to perform and compete in the Whit Friday Band Contest, starting at the Carrbrook contest at 4pm. The band performed at 9 different contests over the course of the evening, culminating in their final performance at Top Mossley, where they received an amazing reception from the crowd who were watching and supporting the event. It was a successful evening for the Band who received a trio of victories at Top Mossley, Carrbrook and Lydgate, with runner up prizes at Heyrod, Hurst Village and Dukinfield. We also won prizes for Department (Heyrod) and First band (Carrbrook). This then contributed to the band receiving the award for Runner Up Youth Band across Tameside. This was a fantastic achievement for all the students involved, many of whom were performing in the iconic event for the first time.

A special mention must go to our Principal Cornet player Bethany Rust, who was flawless all evening, which is no mean feat. Only in year 9, she is definitely one to watch as she blossoms into a great cornet player. We were also lucky to have Thomas Mills on the Euphonium line, who added class and was also so consistent with each performance.

Throughout the course of the evening the band received so many compliments on the quality of their performances and how they were an absolute credit to the school – which they absolutely were!

Mossley Juniors – U14 – Cup Final Winners

Mossley Juniors U14 Knights have done this season and they won the cup final in the East Manchester junior football league chairman's cup against Heyside U14 Hawks, Winning 2-0

Sporting
Successes!

We have over 20 players on the team so unfortunately only 16 got to play the cup final. Although all players are listed below as they all have had some input in the matches leading up to the final.

Daniel Glover (Team Captain), Oliver Glover (Won Man of the match), Eric Cox, James Cook-Scowen, Jay Chilton, Felix Smith, Zachary Austin, Richie Dodd, Oliver Drury, Cody Farrington, Tim Langley, Oscar Mcfie, Bradley Metcalfe, Liam Woolfenden, George Cooper, Robert Coy, Noah Brooks, Harrison Sharp, Harry Perfect, Leon Jones.

Archery Success - Jacob Greenley

At Stalybridge Archery Club, Jacob (Year 7) received a certificate showing he'd achieved 3rd place in the Cheshire County under 12's Portsmouth league (a Portsmouth round is the name given to a particular type of contest). Well done Jacob!

On Tuesday a group of Year 7 and 8 students played in a football tournament against Saddleworth School. There were some outstanding individual and team performances on show with all pupils representing school in the best possible way with both their skill levels and positive attitude. Thank you to everyone who took part.

A special thank you to the three year 10 sports leaders who refereed the games and were excellent role models to all the year 7 and 8 pupils, Alex Morris, Aaron Banner and Keegan Mitchell-Rhodes.

Gracie Naggs and Ava Hanson, Year 10, both represent Greater Manchester Country Under 16s Football outside of school. Last weekend they played in the final against Lancashire and after an outstanding team performance they managed to win the game 1-0 to be crowned the Northern Champions. This is a remarkable achievement that both girls should be very proud of.

Myla Naggs in Year 9 is a very talented football player. Last weekend she was selected to take part in the City in the Community Showcase event which took place at the Joie Stadium, the home of Manchester City Women's Football Club. Congratulations and well done to Myla!

Charity Fundraising Jake Harrop

Jake Harrop in Year 11 is taking part in the Race for Life on June 23rd at Tatton Park. Jake made this decision and has so far raised over a £100 for the Cancer Charity. His parents and us at school are very proud of him. Well done Jake!

As the weather warms up and we approach the end of the school year, we have some exciting new arrivals and events in our library to share with you. Whether you're looking for an adventure to escape into or a thought-provoking read, we have something for everyone

Embark on an Adventure: Join Our Pick-Your-Path Book Club!

Imagine a book where **you** decide the outcome! In these interactive stories, readers make choices at critical junctures, shaping the plot and characters.

Will you explore the haunted mansion or venture into the dark forest? The choice is yours!

Woken one night by a bang at the door, you creep to the window and see five hooded strangers below.

The leader looks up and beckons you down. What do you do? Open the door, play for time, or escape through the window out back? The choice is yours...

From this point onwards, you are in control of an epic adventure, and your survival depends upon the decisions you make. Who to fight? Who to trust? In a book where nothing is as it seems, even the pictures hold secrets that must be unlocked.

If you have some news to share and would like to be considered for a future edition of the NewsFlash, email us at: newsflash@mossleyhollins.com

Scientist of the Week Amelia Osowska

Amelia works so hard in all of her Science lessons. I have been so impressed with her recent work in Biology on Plants and Photosynthesis, Groups in the Periodic Table in Chemistry and Vector Diagrams in Physics.

In her written answers, Amelia confidently uses the correct scientific language too. Well done Amelia, keep up the good work! Mrs Milburn

**GCSE
ART EXHIBITION
